#### ---EVENT DETAILS---

When the last of winter's chill is still in the air, there's no place like Gnome - the Happy Gnome! Join us at St. Paul's finest gastropub where Chef Matthew Hinman's cuisine focuses on fresh, seasonal selections.

We'll be in the Gnome's Firehouse Room for an evening of California dreamin'sipping wines from California, nibbling Artisan cheeses and sampling tasty appetizers. We can't think of a better way to bring an end to a long winter season!

Looking forward to seeing you there!

Cheers!
